

RONDOT GROUP

ECOVADIS NOTATION 2024

We are pleased to inform you that the Rondot Group has received its first EcoVadis rating in August 2024 . We are proud to announce that we have been awarded **the Bronze Medal**, recognizing our commitment to sustainability and responsible business practices.

This Bronze Medal is a significant milestone for us, especially as it marks our first-ever participation in the EcoVadis assessment process.

EcoVadis is one of the most trusted and widely recognized sustainability rating platforms, and this achievement reflects our dedication to improving our environmental, social, and ethical performance.

We understand that sustainability is a continuous journey, and this rating serves as both a validation of our efforts and a motivation to strive for even higher standards in the future.

We are committed to building on this foundation and working towards even greater achievements in the coming years.

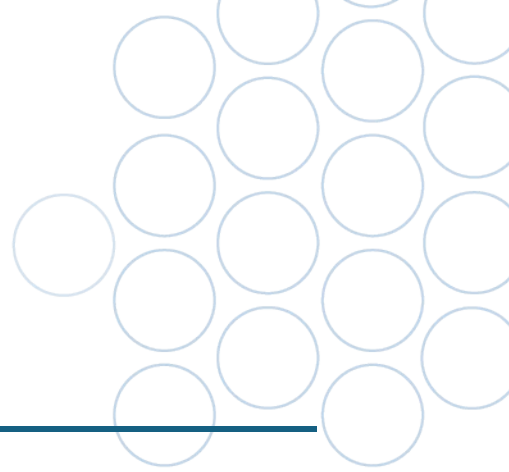

We would like to extend our gratitude to all our teams and partners who have contributed to this accomplishment. Your hard work and commitment to our shared values have made this possible.

We look forward to continuing our collaboration with all of you as we pursue our sustainability goals and strive to create a positive impact on our industry and society.

Thank you for your ongoing support.

Company's scorecard

The EcoVadis score (0-100) reflects the quality of a company's sustainability management system at the time of the assessment. EcoVadis Medals and Badges recognize eligible companies that have completed the EcoVadis assessment process and demonstrated a relatively strong management system that addresses sustainability criteria, as outlined in the EcoVadis methodology. The eligibility criteria for medals and badges are reviewed periodically.

The EcoVadis rating methodology aims to measure the quality of a company's sustainability management system through 3 management pillars: **Policies, Actions, and Results** within 4 key areas: **Environment, Labor and Human rights, Ethics and Sustainable Procurement**.

Our company scores is determined based on over **130,000 companies** rated across **180 countries**.

Percentile **75th**: this figure means our score is **higher than the score of 75 percent** of all company rated by EcoVadis.

Overall score: RONDOT GROUP is in the **top 12%** of companies rated by EcoVadis in the Manufacture of special-purpose machinery industry.

Environment: RONDOT GROUP is in the **top 28%** of companies rated by EcoVadis in the Manufacture of special-purpose machinery industry.
